

Industrial License for brand use

AIRFER FRANCHISE

***Take the opportunity and..
run your own business!***

with our new franchise project

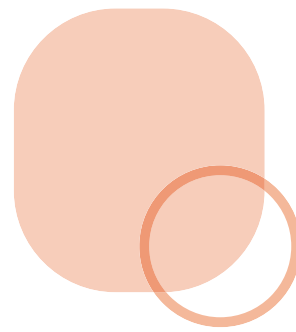

OVERVIEW

This industrial franchise consists of a license for the use and exploitation of AIRFER brand in exclusivity in a big area.

We offer to the licensee the “know how” and training for Airfer models production, and exclusiveness for selling them in a large territory.

AIRFER Franchise

01

Solid brand reputation

We are international pioneer company in Paramotors & Trikes design and production. AIRFER is our patented brand, with more than 30 years presence in the market, our models have a high demand from pilots all over the world.

02

Exclusiveness in a large territory area

We provide exclusiveness to every licensee for a large territory area to ensure the success of the new cooperator business in the project. The exclusive area of a licensee can take a complete country, a group of countries, or could also be continental.

By acquiring AIRFER licence, you can benefit from a reference brand in the Paramotor & Trike world, to create and run your own business.

We provide you with the professional training and assistance. As well as the necessary guidance in other matters related to the business.

Training · Assistance · Guidance

We provide the professional training in our factory to qualify the licensee in the manufacturing processes, technics and values for AIRFER models production.

Including technical assistance during a suitable initial period, and not stopping in future guiding to the licensee in respect of important issues related to the products

(quality, image, updates, new products..)

We also offer the necessary guidance in some business matters as marketing, logistics, etc.
